

OSK(/B)

Form:

1. Object starts playing a constant
2. Seller examines the object for a short while
3. The Buyer steps into the store
4. A conversation starts between the Buyer and the Seller (about the object)
5. When the Seller has had enough he/she asks the buyer "Hey so, do you wanna buy this or not?!?" - by starting to repeat a simple and distinct rhythmic pattern.
6. The Buyer then responds either 'Yes' - by mimicking the rhythmic pattern, or 'No' - by repeating a contrasting rhythmical pattern against it
7. The song ends
